Idaho Youth ChalleNGe Academy

We Believe In SECOND CHANCES!

“The mission of the Idaho Youth ChalleNGe Academy (IDYCA) is to intervene in and reclaim the lives of 16-18 year -old high school dropouts, producing program graduates with the values, life skills, education and self-discipline necessary to succeed as responsible and productive citizens of Idaho.”

The challenge changed me and made me realize what respect really is. To myself and others. Without the academy I probably wouldn't be alive today. So with that being said the academy was the best decision my mom ever made. I was mad at first but looking back I'm grateful she did this for me. Thank you to all the staff for putting up with everything you have, are, and will put up with. You guys are amazing people. Thank you for giving people a second chance. —*Cadet Sharp (14-1)*

"I got the most beautiful call today. Ethan sounded so good and it actually sounded like I was talking to a young man! He was excited about getting to do community service yesterday. He said he is getting A's and one B with 103% in math - this from a boy who has not done well in math class since 7th grade! He is reading a book a week which is also amazing. Thank you IDYCA for the miracles!" - *Parent in Twin Falls*

"He's so happy and thankful to the academy and all the staff for everything they did and continue doing for him. His attitude towards life is amazing! He's staying away from trouble and being a great role model for his younger brothers. He keeps saying "I'm unstoppable." I love

seeing him so happy and positive. As his mother, I have no words to thank everyone at the academy for everything they've done for my son, for giving him a second chance, and for believing in him."

If it doesn't challenge you, it won't change you.

"IDYCA changed my LIFE! I haven't been in trouble since I graduated and I brought my GPA from a 1.2 to a 3.9 in 5.5 months. I wish all adolescents had this opportunity!!!!" - *Cadet Alexander (14-2)*

"I can officially say that this program is life changing, my son who graduated class 16-1 was going down the wrong path....the staff at IDYCA never gave up on him and continued to help him through this program and his rough times. Thank you for giving me a more mature responsible young man back!" - *Parent in Emmett*
